

Age Guidelines Chart

Use this handy chart to know where members under age 17 can hang out at the J while their accompanying adult is in another area of the building. If a space is not listed here, we kindly ask people to refrain from hanging out in that area.

These age guidelines are based on safety and the SJCC's core value of *Derech Eretz* - Respect and Common Courtesy. We are happy to extend these privileges to kids and teens who demonstrate and uphold this value.
